Founder – President**HOSPITAL VISIT REPORT****TITLE:** HOSPITAL FEILD VISIT**DESCRIPTION:** Place of Visit-Khanaware Hospital,Bhigwan.

Hospital visit was carried out at Bhigwan ICU, Bhigwan on 24 September 2025 for our student. The main objective behind the visit was to make student aware about how various activities related to Hospital, Whole structure of Hospital, various functions are carried out in hospital and brief introduction about different departments in the hospital. Students left for visit at 09:30 am. And took about 90 minutes to cover the distance. Hospital is located in Bhigwan city.

As soon as we reached Hospital we were guided by heads of Hospital in Hospital. He gave some instructions and gave brief knowledge about different department of hospital and also information of communicable diseases and their symptoms and treatments.

It is rightly said that "see and know" is better than "read and learn". Student have got real feel of hospital working after this visit. They got a chance to transfer their theoretical knowledge to practical implementation. This will even help student to understand subject matter clearly in future also. I along with students would like to extend our gratitude to hospital for permission and support they give to make our visit a success with accomplishment of objective and our respected Principal for arranging this visit for our student.
